CO-OPERATIVE RFP NOTICE

April 8, 2016

RFP Title: REQUEST FOR PROPOSALS (RFP) RFP-2016-OIS-01-MITA, for Consulting Services for MITA 3.0 State Self-Assessment and Related Activities for New Hampshire, Massachusetts and Rhode Island

Submission Deadline: 5/6/2016 2:00 PM (ET)

The purpose of this Request For Proposal (RFP)

This Request for Proposals is published to solicit proposals for consulting services for the Medicaid agencies in New Hampshire, Massachusetts and Rhode Island. This project is a collaborative effort of New Hampshire Department of Health and Human Services, the Massachusetts Executive Office of Health and Human Services, the Rhode Island Executive Office of Health and Human Services, and the New England States Consortium Systems Organization (NESCSO) for administrative services. These four entities will be referred to in this document as the New England MITA Collaborative or simply the Collaborative. The three Medicaid Agencies, collectively, may be referred to as the States.

For each agency, the selected bidder will conduct a Medicaid Information Technology Architecture (MITA) State Self-Assessment (SS-A) using Framework 3.0 and develop a Five Year Strategic Plan for improving MITA maturity levels across the Medicaid Enterprise (Project). This procurement will result in the joint selection of a single vendor with which each of the three participating Medicaid agencies will contract individually (i.e., three separate contracts). Simply put: 3 states, 1 procurement, and 3 contracts.
